

## ARPSC meeting July 15, 2019

- Upcoming Events:
  - St James Walk - August 11th 8am
    - N8OBU will volunteer radios for the site, and use his repeater for coverage
  - Veterans Day Parade - November 11th
  - Silver Bells - 11-22-19 5-10pm before Thanksgiving
- ATV (Amateur Television)
  - Will be getting groomed soon for after Common Ground
- Common Ground
  - Camera positions changed a bit over the course of the event this year
  - There were some issues with 2.4 GHz, but 3.3 GHz worked better
  - We had two operators do it for the first time. Chiefs were impressed with our ability to pick up and move camera locations (an ability they don't currently have)
  - Thought of adapting our tripods for the helix with an extension.
  - There was talk about how to get a better RF situation on the river side
    - Possibly bringing drive over masts to get better antenna positions
- Hamfest
  - This is scheduled for September 7th from 10am to 3pm. More information can be found: <http://www.centralmiarc.com/hamfest.php>
- Field Day
- ID Cards - make sure that Dennis or Jeff have a picture to be able to print a RACES card this can be used to issue a new ARPSC ID card
- Talk about EC-16 - management
- MICIMS has quarterly update
  - Feel free to look at and do that training if there aren't active events going on
